

Category	Recurring/Project-based	Name	Description	Cost per item	No. of items	Total
			<p>Following the completion of the redesign, let's discuss what next features we would like to add:</p> <ul style="list-style-type: none"> - publishing module: <ul style="list-style-type: none"> - () simple: compiles posts from various platforms that we use and provides links to these - () advanced: custom CMS for publishing any content with extra features like accounts via Discord logins - translation module: <ul style="list-style-type: none"> - () simple: multilanguage support for the website; translations are manually provided through text files in the source code repository - () advanced: same as complicated option of the publishing module, enables built-in translations management for all content in the CMS - () dedicated profile pages for incubated subDAOs and projects - () simple partners section featuring protocols and projects we collaborate(d) with - () live stats pages such as detailed token view, DAO socials etc - () branding/media kit, a set of graphical assets of PeopleDAO publicly available for download - () accounting module: a page of accounting with and searchable history of individual months, teams and people - () your other ideas 			
Dev Team	Project Based	PeopleDAO Website Iteration		30,000	1	30,000
Dev Team	Project Based	DAO Information Aggregator	In 2022 DAO governance model organizations are spurting out, and PeopleDAO is the inheritor of the DAO philosophy. We are considering aggregating important DAO information and making a website to bring together the DAO information you want.	100,000	1	100,000
Dev Team	Project Based	Support Incubated Projects	We have set up an incubation team and in the next quarter we will support incubatees in need of Dev development capabilities	50,000	2	100,000
Dev Team	Recurring / Project-based	Discretionary Funds	Discretionary funds only, for flexibility. (NOT ALL WILL BE USED) Other dev needs that arise that are not included in the tasks above will belong to this budget, such as devs assists for Incubation projects, data collection job, initial website creation, etc.	100,000	1	100,000
Dev Team Subtotal						330000
